ABSTRACT

Network security is important. So we made something to solve it forever.

1. INTRODUCTION

Intro here...

You can cite papers like [?]....

2. SYSTEM ARCHITECTURE

Put some text here to introduce the section...

You can use references such as ?? to refer to a section (in this case, a subsection).

2.1 Control Interface

Subsection text here...

2.1.1 Establishing an Application Link

You can even have a sub-subsection text here...

And you can reference figures as well, such as Figure ?? (in this case, the yanc architecture as an example).

3. CONCLUSIONS AND FUTURE WORK

In this paper we ...

Blah blah blah...

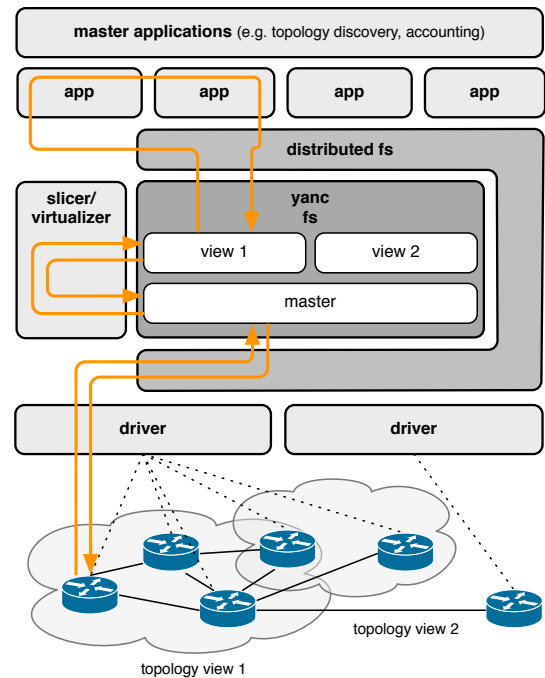

Figure 1: Some Figure
